

MANIFESTO

1

We advance the rights of homosexual men to live free from persecution and discrimination

2

We assert our rights as homosexuals on the basis of our sex and being same-sex attracted

3

We will ensure that our voices as gay men are heard in public and political discussions affecting our lives

4

We defend our right to speak about ourselves and our experiences in plain sex-based language

5

We defend our right to single sex, male only spaces and events

6

We will fight attempts for our identities and language to be stolen or co-opted

7

We will work to support gay male detransitioners
