

POLICY

The Poverello Center, Inc. provides program participants choice from among the healthy items offered in the Eat Well Center and in how they will select the items contained in each unit of healthy foods distribution.

PROCEDURE

I. Each program participant in our serious illness programming may choose items while in the Eat Well Center through an attendant or from home computer or smart phone remotely.

Remote Ordering: Each program participant in our serious illness programming may order remotely through Smart Choice.

In Person Pickup: Each program participant in our serious illness programming may order in person with a clerk who will help the participant navigate through Smart Choice.

Delivery: Whether ordering remotely or having someone else pick up the unit of service, those experiencing problems with mobility shall be offered delivery.

II. When mobility prevents access to these healthy foods, the Eat Well Center will deliver the program participant's selections of healthy groceries.
