Dear [Recipient's Name or "CEO and Members of the Board"],

I am writing to express my opposition to the sale of Morrison Family YMCA and ask you to consider alternatives that preserve it as a community resource.

My connection to Morrison is [describe your connection—as a member, parent, employee, volunteer, donor or neighbor].

[Share a personal story. What has Morrison made possible for you or someone you love? Which relationships, programs or experiences matter most?]

If Morrison closes, [explain what you or your family would lose and any concerns about access, affordability, location or continuity].

I ask you to pause the sale, engage meaningfully with members and community partners, and give credible preservation alternatives serious consideration.

I care about the YMCA and want to be part of a solution that supports both the organization and the community Morrison serves.

Thank you for considering my experience and concerns. I would appreciate a response.

Sincerely,
