edge

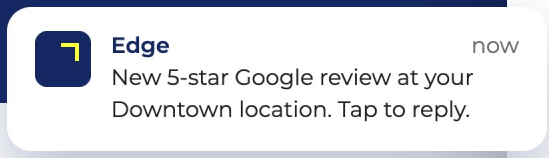

FEATURE SPOTLIGHT

QR Codes

One scan to your Google reviews

Create custom-branded QR code templates to print and display at your business, and start earning more authentic reviews today.

LIVE IN THREE STEPS

1 Brand it → 2 Print & display → 3 Scan & share

01

One scan, straight to Google

Customers land directly on your Google review page, with no searching for your business or extra steps.

02

Every review in one place

New reviews land in Edge, where you can manage them and respond across every location.

03

Your brand, ready to print

Build custom templates with your logo, then print and display them anywhere at your business.

4M+

Authentic reviews generated with Edge

> *I think a lot of times people are super passive about getting reviews. It's kind of like sales, you have to ask for it.*
