Dr. Berger is widely known for her warm, friendly, compassionate approach to patients of all ages in Pompano Beach and Fort Lauderdale. Deeply experienced but constantly engaged in continuing education to learn the latest state-of-the-art dental techniques, Dr. Berger's comprehensive practice spans Preventive Dentistry, General Dentistry, Cosmetic Dentistry, Sedation Dentistry and Oral Surgery. As a highly trained Sedation Dentist, her patients respect and appreciate her passion for providing exceptional pain-free and anxiety-free oral care so fearful patients feel at ease to undergo the vital dental work they need. Dr. Berger's new office is soothing, aroma-therapeutic and modern, outfitted with thoughtful touches such as flat-screen TV's, candles and the latest reading materials.

Dr. Berger, along with an associate dentist who specializes in Oral Surgery, provides the entire spectrum of Oral Care, Cosmetic and Surgical services, so patients don't have to source multiple outside specialists. Her practice is an A to Z solution which includes Dental Exams; Periodontal (Gum) Treatment; Dental Crowns & Bridges; Root Canal Therapy; Dentures & Partials; Pediatric Dentistry; TMJ Therapy; Teeth Brightening & Smile Transformation; Porcelain Veneers; Invisible Braces; Dental Implant Restorations; Sedation Dentistry Utilizing both Oral and IV; and Oral Surgery Including Bone & Tissue Grafting, Tooth Extractions and Dental Implant Placement.
