

# Shaker Museum

## VISITOR GUIDELINES EFFECTIVE 10/16/21

The health and safety of our visitors is of paramount importance to Shaker Museum. Accordingly, all visitors age 12 and older must show proof that they have received at least one dose of a COVID-19 vaccine to enter any Shaker Museum exhibitions or events. All visitors age 18 and older must also show a valid photo ID.

### PROOF OF VACCINATION MAY INCLUDE:

CDC Vaccination Card (or photo)  
New York State Excelsior Pass  
An official immunization record

### VALID I.D. INCLUDES YOUR NAME ACCOMPANIED BY A PHOTOGRAPH OR YOUR DATE OF BIRTH, SUCH AS:

Driver's license  
Government I.D. card  
Passport  
School I.D. card

Children under the age of 12 must be accompanied by a vaccinated adult. Visitors who cannot display their proof of vaccination are welcome to enjoy Shaker Museum's virtual offerings and online exhibitions.

Shaker Museum requires masks at any museum sponsored indoor events for all visitors age 2 and older, even those who are fully vaccinated. Masks are required at outdoor events in any situation where social distancing of at least 3' is not possible.

All visitors must follow the guidelines outlined below, and any visitors who do not follow these guidelines will be required leave any Shaker Museum exhibition or event.

### IMPORTANT ADDITIONAL GUIDELINES

- All visitors are required to stay home if they are experiencing symptoms of any illness. Shaker Museum will promptly issue refunds for any fees unused due to cancellations because of symptoms of illness.
- All out-of-state visitors must follow all applicable health and safety protocols required by the New York State COVID-19 Travel Advisory.
- Admission to exhibitions and events is by reservation only and capacity is limited. Shaker Museum's calendar contains information about how to reserve tickets.
- Shaker Museum requests that all visitors help to prevent the spread of germs through appropriate hand washing and other standard hygiene measures designed to promote public safety.
- All visitors must adhere to safety protocols and instructions communicated by Shaker Museum staff.
- Shaker Museum may require additional safety measures for special events and will communicate such measures to confirmed guests in advance.
- Special events may require all guests age 12 and older to show proof of full vaccination (at least 14 days after the second dose of a two-dose series vaccine, or at least 14 days after a single-dose vaccine).

An inherent risk of exposure to COVID-19 exists in any public space where people are present. We cannot guarantee that you will not be exposed to COVID-19 during your visit to Shaker Museum. Those visiting any Shaker Museum exhibition or event do so at their own risk of such exposure.

If you are unable to visit us in person, please visit [www.shakermuseum.us](http://www.shakermuseum.us) for more information on the wide range of virtual resources, activities, and programs that you can enjoy from home.
