

Transformational Leadership

Skills Deepening for Change Agents

In our *Transformational Leadership Program* you will explore how oppression impacts your leadership. As you apply tools and teachings from our *Transformational Communication Program*, a prerequisite, you will learn how to interrupt patterns of isolation and burn out.

You will understand how leadership oppression, predictable attacks targeting leaders, diminishes initiative and hurts us all. This program will transform you, making your leadership more connected, just and bold!

PARTICIPANTS WILL

Redefine "leadership" and embrace the practices of Transformational Leaders

Become less vulnerable to participating in Leadership Oppression and Leadership Attacks

Gain skills to effectively back other leaders as you let go of disappointments or frozen hopes attached to them

Build capacity to identify and support the development of new leaders with different backgrounds and identities than your own

Feel more energized, relaxed, and renewed in your commitment to take bolder leadership!
