

Vision Weekend 2023 – Pastor Mark Pope
January 7 & 8, 2023

1. Share a time when you had a “what are you thinking moment.” How does knowing what leaders are thinking help us understand their plans and direction?
2. Consider our vision for the new year ... What change(s) do you feel would push our church forward? Why?
3. Read Matthew 7:13-14 Discuss your thoughts on Pastor Mark’s analogy of the “crawl space” image to help us know that there can be difficulty in finding and accessing the narrow path. Why should we expect to encounter some difficulty as we pursue the narrow way?
4. Read John 14:5 What does this verse teach us about the narrow way? How does this verse help you know how to encourage others to find and walk the narrow way?
5. Read John 4:35 Why is it important for you to keep inviting others? Who do you know that you should speak to about your faith and why?
6. What opportunities do you think God is asking you to be open to this year? What change would you like to see & be in our church family?
7. Share your thoughts on the coming year. What personal and spiritual goals would you like to achieve or focus on? What will you do differently to accomplish them?
