

God's Unchanging Word – Pastor Steve Huffman
November 25 & 26, 2023

1. Share an experience where you failed to receive what was advertised/promised. How did that experience impact you?
2. Read Proverbs 30:5-6 and Psalm 119:89 Explain what these verses state and what reassurances you gain from them. What does it mean that the Bible is reliably pure; "every word of God is flawless"?
3. How does believing "God's word is unchanging" give you hope? Share.
4. Read Isaiah 40:8 & II Timothy 3:16-17 How do you take refuge in these promises of scripture? How do you apply them to the world's chaos?
5. Discuss some of the challenges that come from living with a Biblical worldview. Are the scriptures a lens in which you personally view the world? Explain. In a confusing world, what does it look like to put your hope in God's unchanging word?
6. How are reading, studying and consuming the Word of God different? Share where you are in your approach to the Bible and an area where you would like to grow.
7. Pastor Steve encouraged you to find someone who you can read scripture together with. In what ways would this benefit you? How will you make this your next step?
