1. Why is unity important when facing challenges?
2. Read Acts 4:32-35 Why is unity worth fighting for? What are the benefits of living in unity?
3. Read Philippians 2:1-5 Why does fighting for unity mean willingly resetting our focus? How do you do that well in a diversity-focused culture?
4. Read Psalm 133:1 & John 17:20-21 What is God's view on unity? What do you do when unity seems unattainable with another person?
5. How does scrutinizing what you value help when you're struggling with being "unified"? What are practical ways you can focus on God instead of the problem?
6. Read Leviticus 19:18 As believers, what must our goal be when we have strong differences? How can you celebrate diversity and find unity as God designed it to be?
7. Consider an area of life that would benefit from more unity. How will you fight for unity in that area of life differently this week?
