

UNWRAPPING CHRISTMAS

Unwrapping Christmas: Mighty God Pastor Steve Huffman December 14 & 15, 2019

1. Pastor Steve shared how the Nappanee BMV guy was a hero to him. Who has been a hero to you? Share a little about that experience.
2. When you hear the name for Jesus, "Mighty God," what do you first think? Does the translation "divine hero" alter or affirm that?
3. Read Mark 4:35-41.
In this passage, Jesus is not surprised or bothered by the storm. Why do you think that is?
4. What traits of a heroic God do you see in this passage? (Some ideas: powerful, authoritative, thorough, protector)
5. Jesus resolves problems instead of treating symptoms. In what areas of your life are you "treating symptoms"? Are you willing to let God show you the heart of the matter?
6. Read Psalm 16:8.
What do these words mean to you?
7. Are you currently in a storm and in need of a hero? Do you believe Jesus is mighty enough to handle your issues in the midst of that storm?
8. Jesus goes to the storm itself and tells it to "be still! be quiet!" Have you spoken those words over your storm? Have you then asked God to show you/remind you of your destination?
9. What can you do this week to keep your focus on the destination and not the storm?
