

Fighting for Time – Pastor Steve Huffman
February 10 & 11, 2024

1. Think about your daily/weekly schedule. What takes up most of your time?
2. Read Psalm 90:12 What does this verse teach us about our time? Why do we need to value our time differently than the world does?
3. Ephesians 5:15-17 Why does valuing our time require careful observation? What are some things that distract us from making the most of God given opportunities?
4. Prioritizing God's will starts with understanding what God's will is. To do this, we need to be filled with the Holy Spirit. How is this different than trying to understand God's will on your own?
5. Read Romans 12:2 Pastor Steve shared "What fills you will lead you." What are you being filled with? What are some practical ways to be sure you are filled with and led by the Holy Spirit?
6. Read Luke 4:42-43 Why does prioritizing God's will in our lives sometimes lead us to things we don't want to do? What motivates you to surrender despite the challenges?
7. How will you surrender the way you spend your time to God's will this week? How can we support each other in this action?
