

Art for the Heart of India 2019

A benefit to raise funds and bring hope to the forgotten in India.

Friday, November 15, 2019 ♦ 6:30 – 9 pm ♦ The Vineyard Church, Mishawaka, IN

Art for the Heart of India is an evening devoted to honoring God's gift of artistry with music, art, food and an auction. This semi-formal event will feature the work of local and regional artists, as well as businesses from our community. Partnering with *Christ for India*, the benefit will help build a community development center that will educate, support and love the poverty-stricken children and widows in the slums of New Delhi, India, giving them a brighter future. **Every dollar raised at Art for the Heart of India will go directly to support the work of *Christ for India*.**

The Vineyard Church in Mishawaka is hosting this 11th annual art benefit to support the least of these across the globe. In the last 10 years, Art for the Heart has raised over \$400,000 for the Dreamland Children's Home, originally in South Sudan and now located in the Rhino Refugee Camp in northern Uganda. Among many other things, Art for the Heart funds have been used to provide running water, solar electricity; to build and supply a children's medical clinic, a school and two farms; as well as provide for basic necessities like education, housing, clean water and food.

As a result of the contributions from artist like you over the past 10 years, the Dreamland home is currently well supported. So this year, this year we have established a partnership with *Christ for India*. We are excited to work with them and see what God will do as we work together to bring hope to the forgotten in India.

Thank you for your willingness to donate your art to the **Art for the Heart of India** benefit. Lives will change because of your support!
