

Who Am I? – Pastor Mark Pope
April 15 & 16, 2023

1. What comes to mind when someone asks you to tell them about yourself? Do you share your physical, emotional, relational, or spiritual aspects?
2. Read Proverbs 23:7 Pastor Mark stated that “what we believe about ourselves; affects our outlook”. Share how our thoughts affect our actions and outlook?
3. Read Ephesians 2:10; I Corinthians 6:19; I Peter 2:9 Scriptures that describe how God views us – what encouragement(s) can you draw from them? What expectations do you feel God has for you personally because of how He created you to be?
4. Do your internal dialogues challenge you or excuse you? Explain. What is one area of your life that you could step up “your game” into your full potential?
5. Read Genesis 1:26 God has given us dominion to rule; in Christ we will prevail. What is your reaction when you experience pain or hardship? Why?
6. Pastor Mark shared two hints to overcome setbacks. Overcoming is a “mentality” and a “spiritual partnership.” How can these hints encourage you to endure well?
7. What step might you take this week to “raise the bar” and step into your God given potential? What adjustments can you make to encourage yourself to stretch and push through your next set back?
