

Where Do I Belong? – Pastor Steve Huffman  
April 22 & 23, 2023

1. A definition of “belonging” is the feeling of security and support when there is a sense of acceptance, inclusion, and identity for a member of a certain group. What is your take-away in this description? What happens when we don’t have a sense of belonging?
2. Read Psalm 100:3 Having long-term “belonging” is a critical missing aspect of life for many; a core human need. How does this verse encourage you?
3. Mary’s choice to “belong” prioritized a relationship over responsibility. Which typically gets your attention – the people or tasks around you? What can we learn from the story of Mary & Martha?
4. Read John 10:27-28 As we consider our relationship and sense of belonging to Jesus, how might this scripture help to encourage you to help it grow and last forever?
5. Pastor Steve stated that “the sense of belonging usually lasts as long as the responsibility exists.” What has this looked like in your life?
6. Three things will help us “Prioritize Jesus” in our daily life: Relational depth; Marinate in the Bible; Relational prayer– interact with God throughout the day! Which of these are your strengths? Areas to grow?
7. Read Jeremiah 31:3 God’s offer to belong is intended to be permanent. What actions will you take this week to put relationship with God above your daily responsibilities?
