April 29 & 30, 2023

1. Who do you know that makes a difference in their world? How do they make a difference and where does it show?
2. Read 1 Timothy 4:12. What are the best ways for us to set an example for others? And, to whom is it most important for us to set that good example?
3. Explain “every moral miss has an impact.” Pastor Mark encouraged us to not “dismiss our difficult areas”; what does that personally say to you?
4. After reading 1 Timothy 3:1-6, discuss how following Paul’s instructions can make an impact on people around us. Which ones are you doing well? Which ones challenge you to be better?
5. How has Jesus transformed your mishaps into a positive impact on those around you? What steps are critical in reshaping mishaps into positive difference makers?
6. Difference makers make their mark with consistent influence. Which traits become more valuable with time and consistency? What traits do you need to work on with consistency?
7. Who are you influencing the most right now? What adjustments in your character might strengthen your impact on them?
