1. Do you take time in getting to your point when communicating or are you a direct type of personality? Share situations where one approach was better than the other?
2. Read John 1:1-5 Why do you think John chose this type of introduction to his writing? Explain.
3. How does our view of Jesus change when we see Him also as our Creator? (vs.3)
4. What “lordship journey” are you pursuing? Give examples of what having Christ as a necessity in your journey means.
5. Read John 20:24-28. What is Thomas’ perception of the “deity of Jesus”?
6. What concepts do you choose to base your spiritual journey on? Share a moment where you had a revelation about who God is.
7. Prepare this week to have a “creative encounter” with God. When we make ourselves available – our God does not disappoint.
