

Water to Wine – Pastor Mark Pope
July 15 & 16, 2023

1. Describe an “early indicator” you have experienced that turned out to be something that shaped your life; your spiritual life.
2. Read John 2:1-8 What new insight/understanding were you able to learn from this scripture?
3. The “art of asking stirs up activity.” Share a time that you asked God to move and realized that there was a significant change in the direction of that situation due to you pursuing God.
4. Read Mark 1:40 & Matthew 8:8 Pastor Mark shared that “Our specific requests have influential power.” How could your relationship with God influence or affect His response to your requests?
5. Why was Jesus’ approach to the miracles He performed often stay behind the scenes rather than receiving credit for a job well done? What has He done in your life that others may not have noticed?
6. Read Matthew 6:6 This is a great example to us in how to approach God and make our requests known to Him. What does your approach currently look like? How are you using your access to God to influence others?
7. Pastor Mark challenged us to pray for miracles in our world “behind the scenes”. How can you increase your prayers for intervention this week?
