

An Over-The-Top Invitation (Exodus 3:1-14)

Pastor Steve Huffman | July 5 & 6, 2025

1. What's the most "over-the-top" invitation you've ever received? What did you learn from those experiences? How did you grow from them?
2. Read Exodus 3:1-14. Why do you think God used a burning bush to extend this invitation to Moses?
3. Moses' over-the-top invitation included substantial self-doubt. How often do you experience Imposter Syndrome? Has self-doubt ever kept you from accepting an invitation? (Exodus 3:11)
4. Over-the-top invitations usually include work or risk. When have you declined an invitation because of the work or risk involved? How were you or the people around you effected by that choice?
5. How are you going to be on the lookout for an invitation from God this week?
6. What invitations is God extending to you right now? What do you intend to do about them?
