

Better Together – Pastor Andrew Kurtz
August 30 & 31, 2025

1. Besides Pastor Andrew's examples of black licorice and politics, what are some things that you've noticed create division among people?
2. Read 1 Corinthians 1:10. When have you experienced the benefits of having a unified purpose with another person or group? What were you able to accomplish that you could not have done alone?
3. How have you seen division affected your own relationships?
4. Think about your non-negotiables in life. Share one that is biblical and one that really may be a preference. How do you discern what is an opinion or preference and what is non-negotiable?
5. Read Revelation 3:17-18. Jesus' rebuke ends with hope. What are some ways you can offer hope to others? How have others offered hope to you, especially when correcting you?
6. Do you truly want unity? How do your attitudes and actions reflect that answer? What steps can you take this week to work towards unity?
