

Counterfeit Wisdom – Pastor Steve Huffman  
January 10 & 11, 2025

1. Where do you go for insight or answers to what you are working on or thoughts you are processing? Where do you go for clarity in a world of "fakes"?
2. What parts of your life have you been settling on less than God's wisdom in?
3. When have you followed God's wisdom rather than worldly wisdom? What fruit did you see from that?
4. Look at Psalm 119:98-100. How do you ask specifically for God's wisdom? What is your "go-to" scripture that you lean on
5. Why do you think people rely on counterfeit wisdom? What has caused you to fall for counterfeits before seeking God's wisdom?
6. Read James 1:5. How can you ask for God's wisdom this week? His promise is to give to those who ask.
