

**Counterfeit Identity – Pastor Steve Huffman**

January 31 & February 1, 2026

1. After hearing the sermon, Counterfeit Identity; how clear are you on your identity?
2. Look at 1 Peter 2:9. Reflect on being chosen, having a meaningful role, and having community; what does that look like in your life?
3. Read Acts 1:23-26 Put yourself in Justus' shoes, how would you respond to not being chosen?
4. Pastor Steve talked about how our identities often get wrapped in temporary things. What's one area where you've noticed your identity shifting based on circumstances or external validation rather than who God says you are?
5. Does knowing that your identity in Christ means you are filled with purpose make you look at your life differently?
6. What does it actually look like to "declare God's praises" in your everyday life - at work, home, or in your community?
