

Danger: When God Has Had Enough – Pastor Mark Pope
June 28 & 29, 2025

1. Pastor Mark started his message saying, "You can't fix stupid."
Considering that stupid translates to repeated foolishness, do you think God ever feels that way? Why?
2. In Romans 1:18-30, Paul repeated three times "...God gave them over....". Why do you think Paul repeated himself like that?
3. Have you ever looked at your life and asked yourself if you are testing the limits of God's kindness? What was that reflection like? Did it push you to make any changes in your life? (possibly consider the levels of sinful engagement: denial, dabble, dive in, and depraved)
4. Read Revelation 21:5 and Romans 12:2. What does the gift of redemption—the opportunity for a fresh start—mean to you personally?
5. What steps can you take this week to "adequately retain" the knowledge of God?
