

Herodias – Pastor Mark Pope

February 21/22, 2026

1. Have you ever been surprised at the depravity of mankind? What caused you to be surprised?
2. What might have caused Herodias to nurse such a powerful grudge that she wanted John dead? What are some of the main causes for you (and others) to get really, really angry?
3. Have you ever nursed a grudge against anyone? Is there anyone you need to release from a grudge?
4. Read Ephesians 4:30-32. What stands out to you? How do these verses instruct us to live like true Christians?
5. How did Herodias take advantage of both her husband AND her daughter? How do grudges distort our judgment? How do grudges impact relationships? How are grudges displayed in today's culture?
6. What can you do this week to be more kindhearted?
