

Jesus Requires New Birth (John 3:1-7)  
Pastor Mark Pope | May 16 & 17, 2026

1. What are some of the “requirements” for people to enter your world? Or, what things quickly engage others with you and you with them?
2. What are some of God’s requirements for a relationship with Him? What is the difference between God loving everyone and not loving everything we do?
3. Read John 3:5. This verse clearly states what born again means, what does “born again” mean to you? When have you had a born-again moment in your own life?
4. Have you ever been guilty of thinking God wants to “fix me” rather than be reborn or start from scratch? What do you think it means to spiritually “start from scratch?”
5. Jesus wanted Nicodemus to be reborn in his spirit? Where does Jesus desire rebirth in us? More specifically, where do you think Jesus wants to see rebirth in YOU?
6. What can you do this week to welcome Jesus into your inner life?
