

Made Right – Pastor Steve Huffman  
July 12 & 13, 2025

1. It feels pretty good to be right, doesn't it? When was there a time when you were recognized by your peers and it meant a great deal to you?
2. Pastor Steve asked a big question... Are you righteous before God? How did the weight of that question make you feel before hearing Pastor Steve get to the heart of his message?
3. If Sin is rebellion against or failure to obey God's commandments and God's will; how aware of and convicted by your sinful behavior are you?
4. Read Luke 23:39-43. What does this scripture teach us about the character of Jesus?
5. What steps can you take this week to be made right before God?
