

**Mary's Joy** – Pastor Steve Huffman

December 13 & 14, 2025

1. What area of your life could use more rejoicing?
2. Mary's "greatly troubled" transformed into "great rejoicing"; what do you attribute her change of heart to?
3. Read 2 Peter 3:8-9. Do you ever feel like God is being slow to answer your prayers? How does this verse change your perception of God's timing?
4. Look at Luke 1:50. What does it mean to "fear" the LORD?
5. Where have you seen God's power in your life or the lives of others? How do these stories help strengthen your own faith in God?
6. Pastor Steve shared that "God has enough power for my current trouble"; what steps this week can you take to establish that in your walk? Do you need to share this truth with someone who needs to hear that promise?
