

A Mother's Determination (2 Kings 4:17-28)
Pastor Steve Huffman | May 9 & 10, 2026

1. How determined are you? What areas of your life are you determined in? (Focused, committed, persevering toward something?)
2. Read 2 Kings 4:17-28. The Shunammite woman in our text refused to get sidetracked. Are you easily distracted? How do you stay focused?
3. Pastor Steve said, "You don't have to enter the conflicts around you. Be silent." Is there an area of your life where God is asking you to be quiet?
4. In the text, the woman brought her deepest emotions, not a request, to God. Why do you think God desires that we bring our deepest emotions to him?
5. Have you ever shared your raw emotion with God? What stops you from bringing your emotion to God?
