

Rushing to Judgment – Pastor Steve Huffman  
July 5 & 6, 2025

1. Describe a time when you felt like you were being judged.
2. Read Luke 15:28-30. How does the judgment of the older son demonstrate a heart issue?
3. Look at Romans 2:1-11. How do Paul's warnings help us to come to repentance on this issue?
4. As believers, we're supposed to call out sin but not condemn. What do you think this looks like? How do we strike this balance?
5. How does the fact that judgment is God's inescapable plan make you feel? Encouraged? Chastised? Hopeful? Concerned? Etc.
6. What kinds of things have you found to be most useful in moving from judging people to loving them? How can you love people instead of judging them this week?
