

The Generous Widow – Pastor Mark Pope
November 1 & 2, 2025

1. Have you ever been “wowed” by a gift to yourself or someone else? What made it so special?
2. Describe a time when you believe God was "wow-ed" by someone you know. What makes you think so?
3. Read Matthew 14:16-17. How does the way we see what we have to offer differ from the way Jesus sees it? How do you think this applied to the poor widow's offering?
4. Pastor Mark said that impressive generosity often happens during lack, as in the situation with the widow. When have you seen similar things happen in your life?
5. Read Genesis 22:1-2. Abraham was asked to offer his son Isaac, the son of the promises, to God. What other kinds of things might God be asking us to offer Him?
6. What can you do to reflect how badly you need God? What kind of "offering" does that look like?
