November 29 & 29, 2025

1. When you consider the Eleanor Roosevelt quote, "You have to do the thing you think you cannot do," what life events come to your mind? How did you handle those events?
2. Read Proverbs 16:18. Have you seen pride lead to destruction in your own life or the? Explain.
3. Look at James 4:6. When Ezra faced a significant challenge, he initiated some humility. Why do you think God opposes the proud but gives grace to the humble?
4. Ezra also practiced what he preached. Though he had help, he gave God room to move. Why do you think God "requires" space to move?
5. What words are speaking about God to these around you? Do your actions match your words about God?
