

The Opening Scene of an Epic Story (Exodus 2:1-10)
Pastor Mark Pope | June 27 & 28, 2026

1. What sets the stage for the great God story?
2. Read Exodus 2:1-10. Are you strategically thinking about your life? What's your next step/adventure/life change.
3. Pastor Mark brought up the topic of influence — how have you used your influence spiritually, if at all?
4. Read James 1:5-6. Share a time that you asked God for "wisdom" and He was clear to answer
5. Look at Exodus 2:11(NLT). How many years has it been since you've had an "epic" moment? How many years have you been "plodding" (trudging, slogging, lumbering, or shuffling)? What has "plodding" looked like in your life?
6. Pastor Mark encouraged us to resist "drifting" - describe in your own words what you understand that to mean.
7. What is the LORD requiring of you this week? How will you respond?
