

Who Will Tell Them? – Pastor Steve Huffman
August 9 & 10, 2025

1. What did this message teach you about sharing your faith in Jesus?
2. Look at Romans 10:1-16. How can empathy for lost people increase your ability to share Christ with them? Has there been a time where were yourself unable to share the word of Jesus, because you were lacking empathy?
3. Do you share your faith in Jesus? Who in your life could benefit from a relationship with Jesus that may not already have one?
4. Read Luke 3:11. When is it easy to be generous and when is it difficult? What conditions alter your willingness to share things with others?
5. Pastor Steve suggested five tips for sharing Jesus: drop some breadcrumbs, share a story, bring some hope, share Jesus, and “come with me” (to church). Which might be your best tools, and which might be the most challenging for you?
6. How can you go forward this week and share the message of Jesus?
