

When God Says Go (Acts 9:10-19)
Pastor Steve Huffman | April 18 & 19, 2026

1. How about a time when you rejected an invitation and later realized that that you should have accepted?
2. Life hands us decisions that aren't easy, how do you typically handle hard decisions? What is your decision-making process?
3. Read Exodus 4:10-13 and Isaiah 6:8. What did you learn about the difference between these two responses to God's invitation? Which way are you more likely to respond?
4. When is obedience to God most difficult? When does our wanting control disrupt obedience to God? How does fear enter our interactions with God?
5. Look at Acts 9:10-19. What does this teach you about obedience to God?
6. What prevents you from being obedient to an invitation from God? How can you be more obedient to God this week?
