

When the Waiting Ends (Exodus 12:1-11)

Pastor Steve Huffman | July 25 & 26, 2026

1. Waiting is a part of life - What season are you in and are you ready? What preparations have you put into place?

2. When have you seen God give you what you were waiting for? Were you prepared for the waiting to end?

3. Read Exodus 12:1-11 Very specific instructions were given, and they were to follow them closely. Have you ever received unexpected instructions? How would you respond to unexpected instructions from God?

4. God's instructions called for immediate action. Can you think of a time when you waited too long to follow directions? How did that hesitation affect the outcome or cause you to miss an opportunity?

5. Be aware of what the LORD has in store for you this week - will you be ready to respond? What steps can you take to prepare for that waiting to end?
