Wellborn Cabinet, Inc. Introduces Natural Slate in Select

Ashland, AL: Wellborn Cabinet, Inc. is happy to announce that the finish Natural Slate will be offered in the Select Series. Natural Slate is a natural stain with a gray slate glaze topped with a low sheen. This opens up the opportunity to take advantage of the different price levels the Select Series offers.

This finish is available on Cherry, Maple, Oak and Hickory. This wonderful product is available as of August 31, 2015.

Natural Slate is pictured from left to right on the following species: Hickory, Cherry, Oak, and Maple.
