Wellborn Cabinet, Inc. Introduces Drift and Drift Slate in Select

Ashland, AL: Wellborn Cabinet, Inc. is happy to introduce the stains of Drift and Drift Slate in the Select Series. Bringing these stains to the Select Series opens up room for more designs at different price levels. Drift is a transparency gray stain finish topped with a low sheen. Drift Slate, which is the same Drift stain, is finished off with a gray Slate glaze. These stains will be offered on Cherry, Maple, Oak and Hickory. Drift and Drift Slate will be offered in the Select Series beginning September 21, 2015

On the left is Drift on Oak. On the right is Drift Slate on Hickory.
