Wellborn Cabinet, Inc. Introduces New MDF Alto

Ashland, AL: Wellborn Cabinet is proud to announce a new Medium Density Fiberboard (MDF) door style called Alto. It is a Full Overlay Slab MDF door style. Alto has been added to the Select Series to occupy the additional need for a simple door style. The finish availability will follow all MDF paints in the Select Series. This new door style will be available November 2, 2015.

The above picture shows Alto MDF in Glacier painted finish.
