

For Immediate Release:

Join Ryan Kohler from “The Edge” on a Caribou Hunting Adventure

Edmonton, AB, July 27, 2012 – “The Edge” is looking for four hunting enthusiasts to join host Ryan Kohler on a five day caribou hunting adventure in Northern Manitoba from September 8th to 13th 2012.

Wild TV’s popular series “The Edge,” follows avid Canadian hunters as they document their adventures in Canada’s breathtaking wilderness.

The hunt will be hosted by the great staff from The Lodge at Little Duck, which is located 250 miles north of Thompson, Manitoba - only 40 miles south of the Nunavut border. This is an all-inclusive guided hunting package that includes transportation to and from the lodge (from Thompson) in a turbo prop aircraft. The Lodge’s doors will be opened one week early to accommodate Ryan as he films an episode of “The Edge”.

The lucky four hunters will have the opportunity to experience the beauty and elegance of Canada’s sub-arctic wilderness while hunting the Qamanirjuaq Caribou Herd, estimated at over 400,000 animals. The Lodge at Little Duck and the area they hunt is right in the middle of the migration routes that the herd has followed for centuries.

This exciting outdoor adventure is being offered at a discounted price. It is required that hunters have a valid hunter safety certificate. To join “The Edge” crew on their caribou hunt or for more information, please e-mail info@wildtv.ca .
