Hey Amy,

Thanks for the update.

No need to email Ashley about it.

Please reply to this email with confirmation that you would like to withdraw PDS2018-MUP-18-014.

There will be some charges for me to close out the case, but not too much.

Best Regards,

Hi Nick,

Sending a note to let County know we will not be seeking an extension for Torrey at this time. When we are prepared to proceed with Torrey, we'll plan to resubmit at that time. Is this sufficient notification or should I email Ashley directly? Please let me know if there are any closeout steps required of us.

Thank you for the reminder,

Hi Amy,

See the link below for the new idle policy:

Basically, if you can provide me reasoning as to what unusual circumstances there are, you can potentially get two years extension without having to go into idle.

https://www.sandiegocounty.gov/content/dam/sdc/pds/ceqa/InactivePermits/Zoning%20Ordinance%20Amendment%20DRAFT%20POD-20-013_SOUL_9-17-2021.pdf

Here's the excerpt below:

If the Director finds that unusual circumstances have delayed such completion, creating a substantial hardship on the applicant, an extension may be granted. The applicant shall have an additional two years to submit the required materials, funds, and/or other information.

Best,
Nick
