POWERFUL MONEY SPELL

You will need the following items for this spell:
● 1 Green candle (for earth and money)
● 1 White candle (for purity and spiritual)
● 1 red candle (for fire)
● 1 Blue candle (for water)
● 1 Gold candle (or yellow for air)
● A piece of your hair (or anything that comes off your body easily)
● a cloth bag

If you are broke or very short on money, try this spell.
Take the candles and light them and put them in a circle on your altar. Put the white at the top, and the other colors anywhere. Take your hair (or other thing) and put it in the middle. Take your cloth bag and put it in the middle also. Make sure to remember the spell because you have to concentrate on the candles and not the book or paper you read the spell off of.
Pick your hair up (or other thing) and stare into the green candle and say:
With this one strand of hair,
I will get wealthy because it's fair,
I invoke the spirits and want to say,
I need money, O I need it today.
The next time you say it, stare at the white candle, then the blue, then the red, then the gold/yellow.
Then after you're done doing that, take the bag and put the strand of hair in it. Then finish off the spell by saying:
I will be wealthy,
I will be healthy,
With this strand of hair,
I will get my money,
And it will be fair.
Carry the strand of hair with you always. Blessed Be!!
Simple Wiccan Money Spell

This is a simple white magick spell which will help you overcome financial difficulties and attract money successfully into your life. It can also be used as a spell to help you in business.

You will need:

- A gold chain
- A gold ring
- Three yellow candles

Wiccan Money Spell

Cast your circle of protection. Put the yellow candles in front of you, forming a triangle. Light the candles, then place the gold ring and the gold chain in the middle of that triangle. Visualise the centre of the triangle filling with prosperity energy, and all the abundance of the universe. Get into this visualisation as strongly as you can, and then chant the simple mantra below three times:

*Wealth, abundance and prosperity,*

*Flow into my life and set me free.*

*It is my will;*
So mote it be.

Now take the gold ring and put it on the gold chain. Then put the chain around your neck, and feel the prosperity energy connecting with your own energy. Wear the gold chain as often as you can, as it will now attract money into your life.
