Become a member and play more, beautifully! The basics are the basics, and you can't beat the basics. The Charles Polyquinzin program that takes you from the basic principles of the beginning to advanced mastery, so you ... 1 Move your hands safely and complete the practices in a fluid way and beautifully meaningful workPlay with expression and flow Hello Allen, I think my guitar proficiency is improving significantly. Every day I am extremely comfortable with my right hand technique and overall flow. And reading my vision has improved as well. Thank you for creating a woodshed. This thoughtful creation and scope and sequence of knowledge and skills has advanced my guitar skills significantly. I cannot wait to see what the future holds. — Michael Immel I started as a folk guitarist, then fell in love with classical guitar in my 20s. Despite a lot of practice and schooling, I still couldn't get my music to flow well. I struggled with extra stress. My music seemed compelling. And my hands and body were often sore. I got frustrated, and couldn't see the way forward. Then, over the next decade, I studied with two stellar teachers - one focused on technology, and one on music (he was a concert pianist). After some time, I came to discover a new set of sources and movements. These brought new life and vitality to my practice. Now I help guitarists find more comfort and fluency in their music, so they play more beautifully. Click here for a sample formula. As I said before, I think your site is outstanding. I've spent my life teaching adults hard stuff that they really Learn, but the time wasn't to learn at the pace we teach university students. Thus I only understand very well how many hours you may have spent to perfect your lessons to make my learning as quick and easy as possible. - Mike Barron off now that you have this PDF score, the member's artist are waiting for a response from you in exchange for this free access. Serena Parata Guitarra, Al Eminent Mastertra Toma Breton - Sheet music for classical guitar in notation or premium notation + tab (tab). Download PDF. The level is almost advanced (Grade 9). YouTube lesson link. Here a free sheet music version of one of Francisco Targa (1852–1909) works the most famous. It has become one of their most popular works due to rich and dark sound as well as strong melodious lines. I've made a free copy to attract guitarists to the site and there's a tab version for those who need it. This work is often played by professionals, but it's not so difficult that students and intermediate players can't get through it. You can also find tabs as a hardcopy in my Classical Guitar Tab book on Amazon. Join the email newsletter to get updates on free sheet music and more. Please consider donating to support the site.
