Top 10 List For Career Success

1. Define success on your own terms and stick to it.
2. Build and nurture a network of people who unconditionally (not situationally) support you and will help you achieve your goals
3. Participate in continuing professional development so you understand your strengths and weaknesses and others' perceptions of you. Leverage your strengths into success.
4. Find a mentor. Be a mentor.
5. Don't ignore corporate politics. Use them to your advantage.
6. Spend time with your friends. They will keep you grounded.
7. Don't take yourself too seriously and choose your battles carefully.
8. Know who's driving your bus.
9. Make a point to self promote. "Head down, work hard" isn't enough to get you where you want to go.
10. Be direct, honest and trustworthy. It's always the right thing to do even if it's not the popular road to take.
