CONFESSION

Emma Watson's U.N. Speech on Gender Equality

A black and white historical photograph showing a group of women in long, light-colored dresses participating in a parade. They are carrying a large banner that reads "WOMEN SUFFRAGE". The women are looking forward, and the scene is set outdoors with other people visible in the background.

The movement for gender equality was originally conceived as a struggle led only by women for women

A modern photograph with a red color overlay showing three men in profile, looking towards the right. They appear to be in a meeting or discussion. The man in the foreground is wearing a checkered shirt, the middle man is in a light-colored shirt, and the background man is in a dark shirt.

In recent years men have begun to stand-up in addressing inequalities and discrimination faced by women and girls
