WMNF is a listener-supported community radio station that celebrates cultural diversity and is committed to equality, peace and economic justice.

WMNF provides broadcasts and other forums with a grassroots local emphasis that promote creative, musical, and political vitality.

WMNF Values Statement

WMNF advocates for peace, social and environmental justice through independent media and programming neglected by the mainstream. We embrace diversity, tolerance of others' opinions and freedom of expression. WMNF celebrates and promotes the creative, cultural and political vitality of the local community.

WMNF Vision Statement

The force that drives this organization is its sense of values, and therefore WMNF provides programming that is consistent with those values.

Our music, arts, and cultural programming cover a wide spectrum of expression from traditional to experimental, reflecting the diverse cultures we serve. We strive to foster an appreciation of music and cultures we serve. We strive to foster an appreciation of music and culture that is not generally available to listeners in the Tampa Bay area.

Our news and public affairs programming emphasize controversial, neglected, and non-mainstream points of view on important local as well as national or world issues, illuminating our values particularly regarding peace, human rights, and environmentalism.

We provide access to the airways for individuals and organizations that support our mission. The statement provides a forum for the gathering, exchange, and transmission of ideas in a cooperative environment that is respectful of each individual's cultural or political perspective.

Community events also serve as a public extension of our programming and mission.

We are committed to the values expressed by our mission, especially as they relate to issues involving the various ethnic groups living in our community, women, the economically disadvantaged or challenged, and other groups who may be disenfranchised in our society. We offer safe haven for expression by members of these groups, regardless of their social status, race, gender, or sexual orientation, and by our activities hope to promote peace, goodwill and a sense of community beyond the walls of this radio station.
