

## WomenCount 2018 Election Night Scorecard

Use this scorecard, organized by time zone, to follow races with Democratic women candidates. Tally winners at the end to determine the new total number of women in Congress. **Note: There are currently 107 women in Congress, which puts women at 20 percent.** As you total Election Day wins, note: 112 women = 21 percent, 118 women = 22 percent, 123 women = 23 percent, 129 women = 24 percent.

| Polls Close                        | State          | Race                                   | Candidates  | Result   |
