### Step 2 - Who are you raising money for?

**click here to create this fundraiser as an organization**

The screenshot shows a search interface for charities. At the top, it says 'Raise money for a registered charity' and 'Search our database of pre-approved organizations by name or Tax ID number.' Below this is a search input field containing 'spca' and a search button with a magnifying glass icon. A red arrow points to the search input with the text 'enter a search term'. Below the search field, there is a link that says 'If you do not see the organization you are looking for, [click here](#) to create a new organization.' A red arrow points to this link with the text 'If you don't see your organization listed, click this link to create a new organization'. Below the link, a search result is displayed for 'Spca of North Brevard Inc.' with details: 'Titusville, Florida' and 'WonderWe Account Status: New'. A red arrow points to the search result with the text 'select the organization that you want to represent'. To the right of the search result is a 'Select charity' button, with a red arrow pointing to it. Another red arrow points to the search button with the text 'click here to show results'. At the bottom right of the search results area is a 'Cancel' link.

Success! Your fundraiser is pending.

### What happens next?

Your fundraiser is pending review by WonderWe staff. You will be contacted as soon as we verify the data on file with the IRS and determine that you are authorized to represent *Spca of North Brevard Inc.*

A short descriptive fundraiser name will be published as soon as the charity is approved. We strive to have a quick turnaround time. We typically review new submissions the same business day, but please allow up to 48 hours.

If you have any questions, please email [support@wonderwe.com](mailto:support@wonderwe.com)

You will immediately receive an email confirmation that your account is pending.

Once your account is approved, you will receive 2 more emails. One from WonderWe and one from WePay. WePay is a third-party payment processor that requires you to log in to their portal and provide your bank account and personal identification information.
