AT CAMP CARL

JUNE 9-14TH

ADVENTURE

Are you ready for the most exciting week of your summer? Take part in the incredible adventure of Camp Carl! All 7th and 8th grade students will have the opportunity to come together and form community as they hike, swim, and worship God together. In addition to these more typical camp activities, students can take part in activities such as ziplining, tubing, horseback riding, and so much more! This is a can't miss opportunity!

No need to rough it on this trip! Camp Carl has a variety of high quality cabin-style living arrangements for students. Cabins spend the week, taking part in all activities together. You can't help but walk out of the week making new friends and growing closer to old friends! All cabins have two highly trained Camp Carl staff members to make sure that students have the best possible experience.

LODGING

Camp Carl is filled to the brim with unforgettable experiences. With their cabins, your student will have the chance to take part in wild adventures like going tubing, conquering the giant rock climbing wall, and taking part in an over-the-top rodeo night. Your student will grow in confidence as they grow in their faith all week! They'll be coming home with stories for a life-time after just a single week at camp.
