

LOS ANGELES MISSION TRIP

This summer, Grace Students will be partnering with the Dream Center in Los Angeles for a challenging week to gain hands on experience and serve others. By teaming up with Dream Center staff, students will directly impact people in need from the Los Angeles area. This trip offers opportunities to gain a servant's heart through a variety of relational ministries. The Dream Center aims to not only meet the immediate needs of communities, like providing food and clothing, but also focuses on the full successful transformation of people's lives. Come ready to go beyond your comfort zone, meet new people and serve willingly.
