

Life Change is an Invitation Away

KYLIE TIMKO

I started my relationship with Jesus when I was 5 years old. My grandpa explained to me that I had sin in my life and I needed Jesus to save me. My Papa and I sat down and read my Bible, then we got to pray together. Since choosing to follow Jesus I have learned a lot about how He can help me through tough times and that I should never give up on myself.

TAKE FIVE AND PRAY:

HELICOPTER EGG DROP - Be praying for the thousands of people that will come to our campus this April 13th for the Egg Drop! Pray for our church to show the love of Christ to our community in a tangible way as we love on kids and families.

BAPTISM - Be praying for people to take their next step of baptism! Pray for believers to step out in faith and obedience and make a public declaration of an inward reality through baptism.

GRACE KIDS - Pray for our investment in the next generation as we interact with hundreds of kids every week in Grace Kids. Pray for our adult leaders and volunteer teams to love and lead families towards life-change as they share Jesus at age-specific levels.

THE PARENTING WORKSHOP - Pray for parents in our church and community to join us for the Parenting Workshop for training, encouragement, and a few practical Parenting Hacks (technology, family fun on a budget etc.). Pray that God would use this workshop to encourage families to love and lead their family in a God honoring way.

MY MISSION - Pray for our church to be unified under our mission and vision to develop all people into fully devoted followers of Christ. Pray for our people to leverage their influence in thousands of locations all over Wayne County.
